

# Let's Make History: Code, Craft, Create

Wednesday 29th May, 2-3pm

Burmantofts Community Hub & Library

Tap into your creativity and travel back in time!

We will be building, coding and paper-folding our way through the past and celebrating Local and Community History Month by exploring our online archive, Leodis. Using Lego, origami and basic robotics we will recreate old images of Leeds and navigate Victorian maps. Will you construct a knee-high town hall? Or programme a Bit:Bot to travel down the Headrow? Let's make history!

A free family-friendly event recommended for children aged 7+.  
All children must be accompanied by adult.
