

Ofsted Report

On the 26th and 27th of September, Co-op Academy Woodlands was inspected by Ofsted.

The inspectors carried out their inspection over the two days, which included deep dives into various subjects, lesson visits, discussions with staff and pupils, meetings with school leaders and scrutiny of work undertaken by children. They met with the headteacher, deputy headteacher, members of the governing body, other external agencies, spoke with parents, and reviewed documentation provided by the school. More of what inspectors looked at can be found within the official report which can be found on our website.

The inspectors concluded that Co-op Academy Woodlands is GOOD in all areas (Quality of Education, Behaviour and Attitudes, Personal Development, Leadership and Management and Early Years Provision), resulting in an Overall Effectiveness of GOOD for the school.

We are very proud of everyone in Team Woodlands for what they do, every day for our children and families and hope you share this feeling too.

Attendance Pop-Up Shop

Everyday your child attends school, they will earn money to spend in our Pop-Up Shop! This is something the children have asked for and have promised they are going to try their hardest to be at school every day.

If your child is in school every day until the end of term, they can earn up to £10 to spend at the shop. This will be reduced if they have a day off.

We are mindful that some absences are authorised and therefore the children will not lose out. For example an illness supported by medical proof of a GP appointment or a visit to a pharmacy, a hospital appointment if we have proof of the day and time of the appointment etc.

Children will have less to spend if they have unauthorised absence, for example illness with no proof of medical appointments, days off school with no explanation, holidays in term time, arriving to school late etc.

The children are very excited to spend lots of money in the shop and they need your support to ensure they can be in school every day!

Our first ever High Flyer Awards

In our RESPECT Assembly this week, we handed out our first ever High Flyer awards! These prestigious awards are given each half-term, for children who have shown our RESPECT values, have challenged themselves and had success! We are so proud of them.

Mrs Clark, Mr Trower and Miss Price are on the lookout for the next round of High Flyers!

Year 6 IntoUniversity

This week, 6A have been taking part in their Focus Week with IntoUniversity. The staff at school and from IntoUniversity were impressed with the children's engagement and focus. Keep your eyes peeled for the full story next week!
